

Molalla River Alliance
Board Meeting
August 17, 2011
Fish Camp
9:00 am

Calendars

- Kevin Donegan is working on the MRA calendar using photos by Ryan Morgan, Jack Hammond and others.
- Will use a different printer for higher quality
- Production costs will increase, but the price of the calendar will remain the same.
- Ilene expressed concern about lack of profit from the project.
- Calendar will be out by Halloween and will be advertised on the website.

Grant

- MRA received a \$2000 grant from the Molalla River High School Green Team.
- The grant will be used to educate teachers in Site Based Education.

Clackamas Community College

- Jack Hammond is working on a relationship between Clackamas Community College and MRA.

Discovery Series Field Trips

- The first two field trips are sold out and the third trip is almost full.
- President Moody asked that the Education & Outreach committees continue the tours.
- John Atkins volunteered to work with Oregon Field Guide to do a spotlight on the Molalla that would replace the field trips for 2012.

Willamette Wildlife Mitigation

- President Mike Moody is sitting on the committee that determines priorities and criteria.
- MRA will write a grant for land acquisition that must be submitted by August 31st.
- Olympic Resource Management will work with MRA in meeting deadlines.

Recreation Area Management Plan

- The RAMP will become official on August 18th unless there are appeals filed.
- President Mike Moody will meet with Zach Jarrett of the Salem District BLM to discuss how the MRA can assist with the implementation of the new plan.
